A Closer Look at What's Included

Learn from top practitioners, with in-person, virtual, and eTraining **certification** options available. NABITA is the premier association for Behavioral Intervention Team training.

Get certified and receive personalized **digital badges** to share on your LinkedIn, Facebook, Twitter, and email signature.

BIT in a Box enhances your professional knowledge with research articles, tip sheets, demonstration videos, webinars, whitepapers, and more. Choose from four series: BIT Operations, BIT Operations for K-12, Case Management, and Violence Risk and Threat Assessment.

The **CARE Team Manual** is an editable template that can be leveraged as a starting point from which to copy and paste material into customized manuals.

NABITA Super membership is an investment that pays for itself!
A NABITA membership is an invaluable resource for schools and institutions across the country.
